

# TAKE A PLANE TO SCHOOL.

If you're ready to spread your wings we can take you to new heights.  
Rotary Youth Exchange offers you the opportunity to spend one year abroad.  
You could meet a great Dane, eat with a Pole, check out a Czeck, mix it with Mexicans,  
have a party in Boston or even swim with a Fin.  
Take up the challenge with Rotary Youth Exchange and take a plane to school  
- the world awaits.
