### Personal Injury statement

In the event of injury, no personal injury insurance cover provided by the NSW Department of Education for students in relation to school sporting activities, physical education lessons or any other school activity. The departments public liability cover is fault-based and limited to breaches by the Department of its duty of care to students that may result in claims for compensation. Parents/Carers are advised to assess the level and extent of their child's involvement in the sport program offered by the school, school sport zone, region and state school sport associations when deciding whether additional insurance cover is required prior to their child's involvement in the program. The NSW Supplementary Sporting Injuries Benefits Scheme, funded by the NSW Government, provides limited cover for serious injury resulting in the permanent loss of a prescribed faculty or the lose of use of certain some prescribed parts of the body.
