## The Great Aussie Bush Camp Pre Screening Questionnaire

The team at The Great Aussie Bush Camp take our clients safety seriously and have been keeping a close watch on current events regarding the spread of COVID-19 within NSW. Updated advice from NSW Health allows the continuation of school camps in NSW

We are a registered NSW COVID-SAFE business and as part of our precautionary measures during these times we require that all attendees, adults and students, to complete the following pre-screening questionnaire.

This questionnaire is to be completed on the evening/morning prior to your departure for camp.

We only require the one copy to be returned to us signed with school name and the person responsible for ensuring all attendees have completed the document and that any attendee who cannot confirm the answers will not attend.
