CANTEEN REPORT

3/12/18

Orientation Day is this week. Our Book Packs are ready and waiting and our 2019 Volunteers roster is ready to be filled! We have all 3 staff rostered on, as I will be over in the theatre giving my annual canteen spiel, letting new families know about the canteen and how they can help.

We have 1 quote for the supply and installation of a new Commercial dishwasher (\$4500) but we are sourcing more quotes. We don't want to jump in with the first one that comes in under budget. We will do more research before deciding on which one we would like best.

We still have our fingers crossed for a successful outcome to our Grant application. The \$2000 grant, if successful, would cover the cost of a new Iceblock freezer, as the Streets one will be removed early next year. With the new Healthy Canteen strategy we are not able to buy enough Streets products to warrant them supplying a freezer. I will research suitable freezers during the holidays.

Our 2019 Summer menu is completed, ready to send off to the Menu Check people. Jessica Wrigley from Hunter New England Area Health Service is coming to the canteen tomorrow to double check it before we send it off for approval. We are hoping we receive the stamp of approval before Term 1 begins so we can start 2019 off with Healthy Canteen Accreditation.

Thank you to the P&C and Jo Gray for allowing us so much freedom with the menus and with running of the canteen. Thank you in particular to Dee Morison for dealing with our cash banking figures, our EFTPOS figures and our Online ordering amounts. She pays our wages, Superannuation, tax, petty cash and makes sure there is Long Service leave money in reserve. It's no small task, and she does it voluntarily. Thank you.

Fiona, Lynne and I would like to thank you all for your support of the canteen over the year and wish you a wonderful Christmas and hope you all stay safe over the New Year.
