

17 March 2020

Dear Parents & Students,

Due to the closure of 'Anna Bay Oval' from Wednesday 18/3/2020, we have been advised that our buses are no longer able to use this area for student bus transfers. From this date, we will be using the bus zone outside Salt Ash Public School [TSN #2318246] to transfer students between our services.

This site has been chosen as it is a safe, controlled area that is along the current route and will not cause any delays in your child returning home of an afternoon.

Group 1 – SPCC (Waratah), Corpus Christi, San Clemente, HCS & HVG

- Please note, students in **Group 1** for **Soldiers Point** will need to change onto **S564** and then listen to instruction from the driver.
- For all other areas, transfer onto other buses as normal

Group 2 – NGS, NHS, SFX, HSH, HSotPA & MHS

- Transfer onto other buses as normal

The risk assessment for this area has been completed on students **transferring from bus to bus ONLY**. If you wish to collect your child from this area, please meet them at the buses so that you can walk them safely to your vehicle.

We apologise for any inconvenience caused and thank you for your understanding as these changes have been caused by factors out of our control.
